One Request per school year will be considered. Elementary students must be picked up and dropped off at the same bus stop each day of the week. The pick-up bus stop, however may be different than the drop-off bus stop. In the event of a genuine emergency (e.g., traffic accident, etc.), the building principal or designee may authorize a temporary change in the drop-off bus stop. **Once bus routes and stops are established in the fall, a permanent transfer to another route or bus stop for morning and/or afternoon drop-off will only be made upon the approval of the building or designee. Permanent transfer applications are available in the school office.**
